## Important Information

All students who wish to **transfer** from one TAFE NSW Higher Education campus to another or who wish to **co-enrol** at two campuses must inform both campuses in writing of their intention to transfer or co-enrol by the completion of this form and have this form signed by the Course Coordinator at both campuses.

To ensure your **enrolment details** and **subject results** can be accessed by the new campus, you must provide your personal details as per your TAFE enrolment.

Your **Student ID** is your TAFE ID.

Students cannot commence classes at a new campus without completing this form and having it signed by both Course Coordinators.

**International Students** must talk to the International Customer Experience Coordinator/Manager at the campus before submitting this form and must have their transfer or co-enrolment authorised by the International Customer Experience Coordinator/Manager at the campus.

Students wishing to transfer or co-enrol must do so before the commencement of Week 1 of the semester.

Tuition fees are payable to the campus you are enrolling at. If you are co-enrolling, you will need to pay tuition fees to both campuses.

For transferring students, any incidental fees paid to the current/original campus will not be refunded.

Students who have failed to meet minimum academic standards at the original campus, may not be eligible to transfer their enrolment to the new campus.

Further information on transferring and minimum academic standards can be found in the **TAFE NSW Higher Education Student Progression, Exclusion and Graduation Policy and Procedures**.

Further information on tuition fees can be found in the **TAFE NSW Higher Education Tuition Fees, payments, FEE-HELP, Refund and Review Policy and Procedures**.
